Engineering Services for Delhi Wells 3A & 3B
PW-E-17-76

The Corporation of Norfolk County is seeking Bids from qualified consulting firms to provide engineering services for the engineering design, contract documents and contract management for the establishment of Municipal Water Wells 3A and 3B for the Delhi Drinking Water system. The project includes the development of two wells, construction of a well pump house and interconnecting water main to the existing well field and the decommissioning of the existing Delhi Filtration Plant.

Bid Packages may be obtained electronically at no charge by contacting pwcustomerservice@norfolkcounty.ca

The Submission Deadline is **before 2:00:00 p.m. local time on Tuesday, September-26-17**

Sealed bids must be submitted before the Submission Deadline to:

Shelley Darlington, Manager of Corporate Support Services/designate
Norfolk County Robinson Administration Building
185 Robinson Street, Suite 100
Simcoe, Ontario N3Y 5L6

Bids will be opened shortly after the Submission Deadline at the above-noted location. Bidders are welcome to attend the public opening.

All inquiries with respect to this bid request are to be submitted in accordance with the terms of this bid request to:

Scott Zerbes C. Tech.
Project Supervisor - Development
