ADDENDUM No. 4

This Addendum shall form part of the Contract Documents.

The Bidders should acknowledge receipt of this Addendum on the Submission Form – Appendix A.

1. Question:

Our Insurance provider (who is the provider for most architects/engineers) has indicated the indemnity clause contained in the RFP results in the consultant carrying risk that is not insurable based on the wording of the clause. We request balanced and reciprocal indemnity conditions that benefit the County and proponents. Is the County willing to address the indemnity clause issues with the successful proponent?

Answer:

The indemnification clause, as stated in the County's Standard Agreement template, attached as Appendix E of the posted Request for Proposal will not be changed for this bid.
