

911

IN AN EMERGENCY

We Can't Help You if We Can't Find You.

Know Your Civic Address

In an emergency you need to be able to relay to the 911 operator the civic address of your location. A civic address is comprised of three parts;

a civic number, a full street name, and the municipality

eg. 1410 Church Street West Norfolk County

CIVIC NUMBER = 911 NUMBER = FIRE NUMBER

Please notify Public Works of any missing Street Signs (519-582-2100)

Ensure Your Civic Number is Clearly Visible

- It is your responsibility to ensure that you are able to see your civic number sign from the road while travelling in either direction.
- In urban and hamlet areas the property owner is responsible for posting the civic number.
- In rural areas a standard green reflective sign is required.
It is the owners responsibility to maintain this sign.
Please notify Public Works of any missing or damaged Civic Number Signs (519-582-2100)
- Remove obstructions - trim back bushes, trees and weeds.
