

Norview News

ANNOUNCEMENTS

We are delighted to be able to share with everyone what is happening at Norview Lodge and to do it in a safe and engaging way. These past many months have demonstrated to us the importance of staying connected not only with our families, friends but also our community members who always had us in their thoughts. The continuing outpour of support and encouragement has been nothing less than extraordinary and we truly appreciate everyone's kind words. We want to use this platform to provide photo updates on what is happening in the home.

FUN IN THE SUN

Fun in the Sun
and who says,
you can't see
a smile from
behind a mask.

HIGHLIGHTS

We consider it a privilege to get to know and care for 179 residents at Norview Lodge. Each resident brings a wealth of knowledge and life experience with them.

As we are seeing the summer months come to an end; we are thankful for the fun and engaging summer activities that occurred such as, campfires, BBQs, picnics and some outdoor adventures.

"We didn't realize we were making memories
we just knew we were having fun"

The traveling piñata provided a lot of entertainment.

Enjoying an outdoor picnic with the assistance of our social service worker student, Navneet.

There are many beautiful garden beds adorning the outdoor spaces at Norview Lodge. These gardens are home to not only flowers, but various vegetables as well that are tended by the residents with the assistance of the Program Department Staff. The lavender yield was quite good this year and many residents got to enjoy the lovely fragrance of the lavender while creating bundles that were distributed to both residents and staff.
