

SPECIFICATIONS for the Sanitary Extension works on Norfolk Street – Waterford

1. All work is to be undertaken in accordance with Drawing Project No. 21-012 Rev. date May 10, 2023 as designed by Vallee Consulting Engineers, Architects & Planners.
2. All disturbed grass areas to be restored with topsoil and sod to original condition or better. The contractor is responsible for watering sod for first 48 hours.
3. All Asphalt pavement and all concrete sidewalk and curb and gutter to be saw-cut prior to removal.
4. All concrete work and asphalt pavement work to be completed by a Norfolk County approved Contractor.
5. All trench backfill to be suitable native material compacted by approved compaction equipment to 100% Proctor density.
6. Granular base material must match existing depths and be compacted by approved compaction equipment to 100% Proctor density.
7. All disturbed asphalt pavement to be restored with hot mix asphalt matching existing layers using HL8 for the base and HL3 for the top lift. Restoration of asphalt pavement shall be completed within 48 hrs from time of completion. **The proposed work entails placement of a new top wearing surface across the entire width of Norfolk Street per the limits defined on the approved plan. Given that this roadway is urbanized, the existing top surface shall be milled 40mm in depth in order to place the new wearing surface and match grade at the existing gutter line. Top surface works will be planned to avoid the winter months. Should this be the case, the trench line shall be temporarily restored with top asphalt only in the trench line area for over-wintering. The areas of milled pavement t shall be thoroughly and uniformly painted with coalesce or other approved liquid asphaltic material prior to top asphalt placement.**
8. All disturbed curb and gutter and sidewalk areas to be restored according to OPSD & OPSS Standards and Specifications within 48 hours.
9. Failure to meet any of the above conditions/requirements may result in this permit being revoked and may also preclude the issuance of future permits.

NOTE: THIS IS ONLY AN APPLICATION FOR A ROAD EXCAVATION/OCCUPANCY PERMIT AND DOES NOT CONSTITUTE FINAL APPROVAL BY NORFOLK COUNTY STAFF, NOR DOES IT REPLACE THE PERMIT FORM ISSUED ONCE APPROVAL HAS BEEN GRANTED BY THE APPROPRIATE STAFF.
